2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.

Teachers of the College try to make the best use of the technology in their teaching process. Teachers have the knowledge and skills to use new digital tools to help all students achieve high academic standards. ICT has enabled better and easy communication; presentation of ideas in an effective and relevant way. It is an effective tool for acquiring information from multiple sources to help students to enhance their knowledge database

1. The College has a Wi-Fi Enabled Campus which helps the teachers and students to stay connected to the internet and learn and teach the updated information. The college has ICT Enabled Classrooms having Desktops, Laptops, Projectors which helps in the e-learning process
2. Teachers make and present PowerPoint presentations in the classrooms which help them have an interactive conversation with the students. Presentations are the best way to make notes as they can be updated with the latest changes in the knowledge, presenting diagrams, charts, etc.
3. The college has well equipped Computer Labs. The teachers take practical classes for courses computer application and science. The labs are
   Updated with new software's like Tally, adobe package, Microsoft Office, C, C++ etc.
4. Teachers share reading materials, notes over different media like Google Meet, E-Mail, WhatsApp, etc.
